Ms. Montesi also provided a report on enrollments at Delta College's 3 Centers (Midland, Planetarium, and Ricker). She noted that all three centers have enrollments over 800 students. Ms. Montesi said that Teresa Stitt has been working in collaboration with Academic and Student Services to make sure that course offerings at the centers meet the needs of students.

There being no further business, the dinner meeting was adjourned at 7:00 p.m.
