COMPENSATION  
(BA5189)**

R. Emrich read the following summary as written by M. Nash, Chair of the President's Compensation and Evaluation Committee:

"The Delta College Board of Trustee's annual review of Dr. Goodnow was favorable. Dr. Goodnow was successful in leading Delta College during the 2016-2017 school year. The Board was particularly pleased with Dr. Goodnow's efforts in fostering student success while enhancing the College's reputation as a top-tier community college through efforts at the local, state and national levels. Dr. Goodnow made measurable progress on all of her goals. Specifically, the progress towards the new Saginaw Center was strong. The Board identified several areas of focus for Dr. Goodnow heading into the 2017-2018 school year; continued progress with the Saginaw Center; a collaborative, Board-directed initiative to address the sustainability of the college's go-forward operating model; and the ongoing pursuit of professional development and growth. Following the favorable review, the Board is bringing forward tonight a recommendation for a pay increase for Dr. Goodnow."

It is the recommendation of the President's Compensation and Evaluation Committee that the Board of Trustees approve an increase of 2.84% to the President's Annual Base Salary and an increase of 5% (based on the 2017-18 Base Salary) in the annual employer non-elective contribution to a tax-sheltered annuity that the College makes on behalf of the President.
