

# DELTA COLLEGE PROCEDURES MANUAL

## LATEX-SAFE PRODUCT USE

**SUMMARY:** Delta College encourages and requests that only latex safe gloves and balloons be used on the premises to avoid potential related risks and allergic reactions to employees, students and visitors.

**PROCEDURES:** Delta College values employees, students and visitors and seeks to reduce risks associated with latex allergies and the related serious and potentially fatal conditions.

Latex gloves and balloons are two items with greater exposures **that shall be replaced effective January 1, 2011, by ordering latex-safe gloves and balloons.** Contact Purchasing for assistance on ordering these products.

Contact the Human Resources department for guidance if needed.
