## Employee's Withholding Certificate

OMB No. 1545-0074

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Give Form W-4 to your employer.

Your withholding is subject to review by the IRS.

Step 1:	<b>(a)</b> F	First name and middle initial	Last name	(b) S	Social security number
Enter Personal Information	Addr City o	ess or town, state, and ZIP code	name card credit conta	s your name match the e on your social security ? If not, to ensure you get t for your earnings, act SSA at 800-772-1213 to www.ssa.gov.	
	(c)	sts of keeping up a home for yourself a	and a qualifying individual.)		

**TIP:** Consider using the estimator at *www.irs.gov/W4App* to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at *www.irs.gov/W4App*.

Step 2: Multiple Jobs	Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.
or Spouse	Do <b>only one</b> of the following.
Works	(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; or
	(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; or

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

**Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs.** Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly): Multiply the number of qualifying children under age 17 by \$2,000 \$ Multiply the number of other dependents by \$500 \$ Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$

#### **Future Developments**

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to *www.irs.gov/FormW4*.

#### **Purpose of Form**

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 and you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

**Your privacy.** Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

1. Are submitting this form after the beginning of the year;

2. Expect to work only part of the year;

3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;

4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or

5. Prefer the most accurate withholding for multiple job situations.

**TIP:** Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at *www.irs.gov/W4App* to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## **Specific Instructions**

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

#### Step 4 (optional).

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at *www.irs.gov/W4App*.

1	<b>Two jobs.</b> If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, <b>skip</b> to line 3	1	\$	
2	<b>Three jobs.</b> If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.			
	<b>a</b> Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a.	<b>2</b> a	<u>\$</u>	
	<b>b</b> Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$	
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$	
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.	3		
4	<b>Divide</b> the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in <b>Step 4(c)</b> of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$	
	Step 4(b) — Deductions Worksheet (Keep for your records.)			
1	Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$	
2	Enter:         • \$30,000 if you're married filing jointly or a qualifying surviving spouse         • \$22,500 if you're head of household         • \$15,000 if you're single or married filing separately	2	\$	
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$	
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$	
5	Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4	5	\$

#### INSTRUCTIONS TO EMPLOYEE'S MICHIGAN WITHHOLDING EXEMPTION CERTIFICATE (Form MI-W4)

You must submit a Michigan withholding exemption certificate (form MI-W4) to your employer on or before the date that employment begins. If you fail or refuse to submit this certificate, your employer must withhold tax from your compensation without allowance for any exemptions. Your employer is required to notify the Michigan Department of Treasury if you have claimed 10 or more personal or dependency exemptions or claimed that you are exempt from withholding.

You MUST provide a new MI-W4 to your employer within 10 days if your residency status changes or if your exemptions decrease because: a) your spouse, for whom you have been claiming an exemption, is divorced or legally separated from you or claims his/her own exemption(s) on a separate certificate, or b) a dependent no longer qualifies under the Internal Revenue Code.

Line 5: If you check "Yes," enter your date of hire.

**Line 6:** Personal and dependency exemptions. The number of exemptions claimed here may not exceed the number of exemptions you are entitled to claim on a *Michigan Individual Income Tax Return* (Form MI-1040). Dependents include qualifying children and qualifying relatives under the Internal Revenue Code, even if your AGI exceeds the limits to claim federal tax credits for them.

Do not claim the same exemptions more than once or tax will be under-withheld. Specifically, **do not claim:** 

- Your personal exemption if someone else will claim you as their dependent.
- Your personal exemption with more than one employer at a time.
- Your spouse's personal exemption if they claim it with their employer.
- Your dependency exemptions if someone else (for example, your spouse) is claiming them with their employer.

**Line 7:** You may designate additional withholding if you expect to owe more than the amount withheld.

**Line 8a:** You may claim exemption from Michigan income tax withholding if all of the following conditions are met:

- i) Your employment is intermittent, temporary, or less than full time;
- ii) Your personal and dependency exemptions exceed your annual taxable compensation;
- iii) You claimed exemption from federal withholding; and
- iv) You did not incur a Michigan income tax liability for the previous year.

**Line 8b:** Reasons wages might be exempt from withholding include:

- You are a nonresident spouse of military personnel stationed in Michigan.
- You are a resident of one of the following reciprocal states while working in Michigan: Illinois, Indiana, Kentucky, Minnesota, Ohio, or Wisconsin.
- You are an enrolled member of a federallyrecognized tribe that does not have a tax agreement with the state of Michigan, you reside within that tribe's Indian Country (as defined in 18 USC 1151), and compensation from this job will be earned within that Indian Country.

**Line 8c:** For questions about Renaissance Zones, contact your local assessor's office.

 Payroll Manager

 Re:
 Payroll Options

Welcome to Delta College! Delta offers two convenient methods of payment for your payroll needs—Direct Deposit to the bank of your choosing or a Pay Distribution Service through Money Network that allows you to access your payroll through a Money Network debit card or Money Network checks.

Please read the following Pre-Paid Acquisition Disclosures and complete the Employee Pay Selection Record along with the Direct Deposit form, if applicable.

If you select Direct Deposit, please make sure to include a voided check or a letter from your financial institution verifying your account information. Payment will be received in your account on pay day. No extra steps are necessary.

If you select the Pay Distribution Service through Money Network, your Money Network debit card, checks and information packet will be available for pick-up at the Cashier's window in the B-Wing of Delta's Main Campus. <u>The</u> Payroll Office will contact you at your delta.edu email address and let you know when the packet is available for pick-up. The card will remain at the Cashier's Office until pick-up unless otherwise agreed upon. If you have questions or need to make alternative arrangements, please contact the Payroll Office at payroll@delta.edu.

**Important:** If you select the Money Network Service, you will be enrolled in an Employer Program Account. If you do not receive wage, salary or other compensation loads from Delta for 60 consecutive days, your Employer Program Account may be converted to a MyMoneyNetwork Account. If this occurs, a Monthly Maintenance Fee will apply to your account for each cycle in which deposits totaling at least \$400.00 are not made. If you are an intermittent or temporary employee, please consider if this is the best option for you. If any changes occur with your Money Network account, it is your sole responsibility to contact the Payroll Office to prevent a delay in pay.

If you have any questions, please contact the Payroll Office at payroll@delta.edu or 989-686-9388.

You have the right to change your method of payment at any time. However, please allow two weeks to incorporate the change.

#### Employee Pay Selection Record

<u>DELTA COLLEGE</u> ("Employer") offers two options to receive your pay, Direct Deposit or the Money Network<sup>®</sup> Service. Please review these options and make your selection below.

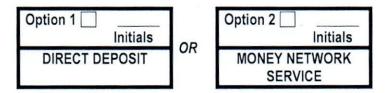

**Option 1: DIRECT DEPOSIT** Employer will pay all of my net pay as selected below ("**Direct Deposit**") into the account (the "**Account**") at the financial institution with the routing and account numbers and account type (collectively, "**Account Information**") I have provided separately to Employer according to Employer's procedure.

#### Option 2: MONEY NETWORK SERVICE

PLEASE REVIEW THE MONEY NETWORK SERVICE PREPAID DISCLOSURES PROVIDED WITH THIS PAY SELECTION RECORD.

Employer will pay all of my net pay using the Money Network Service. The Money Network Service Welcome Packet contains the Terms and Conditions that apply to the Money Network Service, the detailed fee schedule for the Money Network Service, and other important disclosures. Once I consent to those terms and contract for the Money Network Service by activating my Money Network Service account by following the instructions in the Welcome Packet, I may begin to use the Money Network Service. There is no monthly service charge for the Money Network Service as long as I am employed by Employer. As further explained in the Terms and Conditions, I can access my total net pay each pay period for free using the Money Network™ Check ("Check") or optional Money Network Payroll Debit Card ("Card"). The Check is a check that I can complete and deposit into my personal bank account, cash for free at Money Network check-cashing partners, or use for other purposes such as paying bills. Third party check cashing services may charge transaction or other fees. Many transactions using the Card are free, but Money Network Service fees or third party fees apply to some Card transactions and services. Options are available that allow me to check my account balance for free.

#### I HEREBY ELECT TO HAVE MY PAY DISTRIBUTED AS INDICATED: (REQUIRED: MAKE ONE CHOICE BY CHECKING THE 1 OR 2 BOX AND WRITING YOUR INITIALS ABOVE YOUR SELECTION BELOW)

I authorize Employer to pay me by Direct Deposit or the Money Network Service, according to the selection I checked and initialed above. This Employee Pay Selection Record ("**PSR**") and Account Information (defined above) must be submitted to Employer within three (3) business days (thirty (30) days in Michigan) of receiving notice to do so. If I fail to make a selection for Direct Deposit or the Money Network Service, or to provide Account Information (if applicable), I agree that I will be paid using the Money Network Service. However, I understand that I can change my pay selection at any time in the future by submitting a new PSR and Account Information (if applicable) according to Employer's procedure (subject to the time it takes Employer to implement the change). My election will remain in effect unless Employer and/or Program Manager cancels this arrangement. In case of payment of funds to which I am not entitled, I authorize Employer to withdraw such funds from the Account or the Money Network Service. To help the government fight the funding of terrorism and money laundering activities, Federal law requires financial institutions to verify and record identity information before opening an account such as the account provided when you enroll in the Money Network Service. To permit this identification so that my pay to be placed in such an account, I authorize Employer to share my name, address, date of birth, Social Security Number, identification documents, and related personal information with Money Network and the issuing bank.
