

LIBERAL ARTS

Delta College

Advanced Certificate (CSA 35390)

Associate in Arts or Science Degree (AA/AS 40000)

Catalog Year 2011 - 2012

The Liberal Arts Certificate program is intended for students who are planning on completing an Associate in Arts or Science Degree at Delta College. It is also intended for those planning on transferring to a four-year college or university after completing one year of course work at Delta. **Completion of this certificate program will satisfy the MACRAO requirements** (a transfer agreement in the State of Michigan that assists students with the transferability of general education requirements-see the Delta College catalog). Required courses in the Liberal Arts Certificate are flexible and may be customized to meet the needs of the student based upon the transfer institution requirements. Most transfer institutions will accept a minimum of 60 credit hours from Delta; therefore students are encouraged to take additional courses beyond the Liberal Arts Certificate requirements. **Students seeking the Liberal Arts Certificate must work closely with the transfer school of choice as well as a Delta College Advisor/Counselor** to help ensure appropriate courses are taken at Delta.

Many courses have prerequisites. See course descriptions in current catalog or on website at <http://www.delta.edu/catalog/courses.asp>

MACRAO

ADVANCED CERTIFICATE - MACRAO

➡ ➡ ➡ ➡ ➡ SEE REVERSE SIDE FOR NOTATIONS ➡ ➡ ➡ ➡ ➡

Notations:

* A "C" minimum grade is required in each course for Advanced Certificate. AA and AS degrees only require a cumulative GPA of 2.0.

1. Courses below 100 cannot be included in any of the group requirements.
2. Courses listed in more than one Group may not be counted in both groups. For example: HIS 111 and 112 may be included in the Humanities Group or Social Science Group but may not be counted in both.
3. This program is intended for students wishing to complete course work at Delta before transferring to another college/university. Since transfer requirements vary by institution, students are strongly encouraged to meet with representatives from the transfer school. In addition, students should work closely with a Delta Advisor/Counselor in Counseling/Advising and Career Services D102.
4. For Advanced Certificate, student must earn a minimum of two thirds (2/3) or 20 credits at Delta College.
5. You can not apply more than twelve (12) credits of "P" grades.
6. File an application for a certificate with the Registrar's Office at least three months before the end of the final semester of your course work. See College catalog for other graduation requirements.
7. Delta College reserves the right to modify graduation requirements.
