

**Veterinary Technology – MSU**

For Transfer students from Delta College  
Michigan State University

There is the option to complete a certificate, an associates degree (through a MSU- LCC consortia agreement), or a bachelor degree. To be eligible to apply for the bachelor degree, a student must complete a total of 28 credits of college course work prior to matriculating into the program. In addition, the student must complete a total of 120 credit hours, including all veterinary technology course requirements to be eligible for graduation with a Bachelor degree. Students desiring to complete as much as possible at Delta College should complete the following courses:

| Delta Course  | Course Title  | MSU Equivalent   |
|---|---|--|
| BIO 171   | Integrated General Biology I  | BS 161 & BSL 171   |
| BIO 172   | Integrated General Biology II   | BS 110   |
| CHM 111   | General and Inorganic Chemistry I   | CEM 141  |
| ENG 111<br>AND<br>ENG 112   | College Composition I<br><br>College Composition II   | WRA 110<br>or higher   |
| MTH 120<br>Or<br>MTH 122 & MTH 118W<br>Or<br>MTH 122 & MTH 121<br>Or<br>MTH 151 | Finite Mathematics<br><br>College Algebra + Mathematical Explorations<br><br>College Algebra + Plane Trigonometry<br><br>Pre Calculus | MTH 110<br><br>MTH 103 & MTH 112<br><br>MTH 103 & MTH 114<br><br>MTH 116 |

Integrative Studies in Social Science (one ISS 200 level and one 300 level): See MSU General Education requirements for Integrative Studies equivalencies  
<http://admissions.msu.edu/transferguide/default.asp> (enter "Delta College" for the Institution on drop-down box)

Integrative Studies in Arts and Humanities (one IAH course 201-210 and one IAH course 211 or higher): See MSU General Education requirements for Integrative Studies equivalencies  
<http://admissions.msu.edu/transferguide/default.asp> (enter "Delta College" for the Institution on drop-down box)

Once admitted to the program, then core veterinary technology coursework must be completed.
