

Engineering

Browse the book shelves near these call numbers to find additional information about your topic.

Possible keywords to use when searching for topics related to aging:

Civil engineering
Electrical engineering
Computer engineering
Chemical engineering
Engineering mechanics
Aerospace engineering

Also, search the following online index to find articles about your topic:

Locating Information in Books

- Use [ValCat](#) online catalog, to locate reference and circulating books found in the Delta College Library or area Public Libraries.
- Use the following books to locate information about a variety of aging related topics:

ASM Handbook - Reference TA459.M43 v.1-10

Mechanical Engineers Handbook - Reference TJ151.M395

Machinery's Handbook - Reference TJ151.M3

Marks Standard for Mechanical Engineers - Reference TJ151.S82

Pump Handbook - Reference TJ900.P79

Compressor Handbook - Reference TJ990.C623

Sax's Dangerous Properties of Industrial Materials - Reference T55.3 H3 L494 v.1-3

Civil Engineering - Reference TA151.C57

Materials Handbook - Reference TA403.B73

Modern Plastics Handbook - Reference TA455.P5 M62

Stress-Strain Curves - Reference TA460.A86

Locating Information in Periodicals

- Browse the following periodicals (newspapers, scholarly journals, popular magazines) to locate articles (print format) on your topic.

Chemical & Engineering News

Machine Design

Manufacturing Engineering

Mechanical Engineering

Modern Steel Construction

Technology Review

- Search the following online databases to locate articles (electronic format) on your topic:

[InfoTrac: General Reference Center Gold](#) available from the [Delta Library website \(Journals and Magazines\)](#), either on campus or remotely with password. For OFF-Campus access, use your Delta username and password. For help, please call the Reference Desk at (989) 686-9560.

[Wilson Web: OmniFile Full Text](#) available from the [Delta Library website \(Journals and Magazines\)](#), either on campus or remotely with user ID and password. For OFF-Campus access, use your Delta username and password. For help, please call the Reference Desk at (989) 686-9560.

Locating Information on the WWW

- Search the following websites to locate information on your topic:

National Society of Professional Engineers. <http://www.nspe.org/>

ENGINEERING.com - The Engineer's Ultimate Resource Tool
<http://www.engineering.com/>

WWW Virtual Library: Mechanical Engineering. <http://dart.stanford.edu/vlme/>

American Society for Engineering Education (ASEE) Clearinghouse for Engineering Education. <http://www.asee.org>

Delta College - Library (A110)
1961 Delta Road
University Center, MI 48710
Phone: 989-686-9016
Fax: 989-686-4131
