

Sources for Chemistry/Science Technology

Locating Information in Books

Browse the book shelves near these call numbers to find additional information about your topic.

Possible keywords to use when searching for topics related to aging:

Biochemistry
DNA
Molecular biology
Chemical engineering
Chemistry
Chemical technology

Also, search the following online index to find articles about your topic:

[FirstSearch:](#)
[ArticleFirst](#)

- Use [ValCat](#) online catalog, to locate reference and circulating books found in the Delta College Library or area Public Libraries.
- Use the following books to locate information about a variety of aging related topics:

Life Chemistry & Molecular Biology - QH 345 .W66

Essentials of General, Organic, & Biological Chemistry - QD 31.3 A76

Macmillan Encyclopedia of Chemistry - Reference QD 4 .M33 vol. 1-4

Chemical Technicians Ready Reference - Reference QD 61 .S58

Prudent Practices in the Laboratory: handling and disposal of chemicals - T 55.3 H3 P78

Encyclopedia of Chemical Technology - Reference TP 9 .E685 vol. 1-25

- Browse eBooks through netLibrary accessible on the [Delta Library website](#) - a user name and password must first be established. Type in chemistry as a subject term.

Locating Information in Periodicals

- Browse the following periodicals (newspapers, scholarly journals, popular magazines) to locate articles (print format) on your topic.

Chemical and Engineering News

Journal of Chemical Education

- Search the following online databases to locate articles (electronic format) on your topic:

[InfoTrac: General Reference Center Gold](#) available from the [Delta Library website](#) (**Journals and Magazines**), either on campus or remotely with password. For OFF-Campus access, use your Delta username and password. For help, please call the Reference Desk at (989) 686-9560.

[Wilson Web: OmniFile Full Text](#) available from the [Delta Library website](#) (**Journals and Magazines**), either on campus or remotely with user ID and password. For OFF-Campus access, use your Delta username and password. For help, please call the Reference Desk at (989) 686-9560.

Locating Information on the WWW

- Search the following websites to locate information on your topic:

[American Chemical Society](#)

<http://pubs.acs.org/dgrweb/index.html>

[Chemical Abstract Service](#)

<http://info.cas.org>

[Sheffield University, Chemdex](#)

<http://www.chemdex.org>

[University of California, InfoSurf](#)

<http://www.library.ucsb.edu/subj/chemistr.html>

[Catalyst: Chemical History](#)

<http://www.thecatalyst.org/m04histr.html>

Delta College - Library (A110)
1961 Delta Road
University Center, MI 48710
