

Tuberculosis

There is a lot of information available about tuberculosis. Whether you are searching for information about tuberculosis on ValCat, FirstSearch, InfoTrac, or on the World Wide Web, some key terms to use are:

Tuberculosis (TB)

Locating Information in Books

Use [ValCat](#), the online catalog, to locate reference and circulating books found in the Delta College Library or area Public Libraries about tuberculosis.

Following are just some of the books within Delta Library that will give information about tuberculosis:

- *Captain of Death: the story of tuberculosis* - RC 311 .D25 1999
- *Current Medical Diagnosis and Treatment* - Reference R 71 .A14
- *Gale Encyclopedia of Medicine* - Reference RC 41 .G35 2006
- *Harrison's Principles of Internal Medicine* - Reference RC 46 .H33
- *The Merck Manual of Diagnosis and Therapy* - Reference RC 55 .M4 2006. An online version of *The Merck Manual* is available at: <http://www.merck.com/mrkshared/mmanual/home.jsp>

Locating Information in Periodicals

Search the following online databases/indexes to locate journal articles (electronic format) on your topic:

[InfoTrac](#) is available from the [Delta Library website \(Journals and Magazines\)](#), either on campus or remotely with password. For OFF-Campus access, use your Delta username and password. For help, please call Delta Reference Desk (989) 686-9560.

[PubMed](#) is a service of the National Library of Medicine, that provides access to over 11 million MEDLINE citations back to the mid-1960's and additional life science journals. PubMed also links to sites with full-text articles and resources.

Almost all of PubMed's articles come from scholarly, peer-reviewed/refereed journals.

TIP: PubMed offers a link to "limit" your search. By clicking on "Limits", you can limit the search to "Links to free full-text" (entire article) and you can limit to articles presented in English.

Locating Information on the World Wide Web

Medline Plus, part of the National Institute of Health, provides a Web site with helpful information about tuberculosis at: <http://www.nlm.nih.gov/medlineplus/tuberculosis.html>

The Mayo Clinic provides the following information about tuberculosis:
<http://www.mayoclinic.com/health/tuberculosis/DS00372>

The Merck Manual of Diagnosis and Therapy - Reference RC 55 .M4 2006. An online version of *The Merck Manual* is available at: <http://www.merck.com/mrkshared/mmanual/home.jsp>
