Field Training Officer (FTO)

Course description. The Field Training and Evaluating Program is an extension of the law enforcement selection process. It combines pre-field training with objective evaluations to ensure that the standards of a competent law enforcement officer are met. This is a 40 – hour course designed for experienced uniform patrol officers and corrections officers to learn the “new job / task” of becoming a Field Training Officer – FTO. The San Jose Model of Field Training is taught during this course. The program will emphasize the FTO’s role in teaching, training, coaching and evaluating the recruit officer as they “earn” the right to wear your department’s uniform. Each student will receive a Field Training and Evaluation manual for this course.
