PPCT Spontaneous Knife Defense Instructor Training

The PPCT Spontaneous Knife Defense System is designed to meet the needs of students who are confronted by a spontaneous knife assault and unable to retrieve a weapon. It is based upon a realistic, yet highly aggressive, check-and-stun philosophy that employs gross motor skills that are compatible with the affects of survival stress. It reviews the fundamentals of basic knife systems; reviews the common grips, types of strokes, and lines of attack; and reviews defense strategies for both stalking assaults and spontaneous assaults inside the reactionary gap.

Course Dates: October 31 – November 2, 2011
