Delta College is offering MFFTC courses on the Internet that allow fire-fighters across the state to complete certification for Officer I/II/III. Each course below also counts toward an AAS Fire Science degree. Prerequisite courses are offered during winter and spring semester which include: PICO, MCTO-D, STICO, ICS, and ISO, Ed Meth\*

Officer I/II is offered each fall semester

Officer III is comprised of Leadership I, II, III and HSO. These four courses are offered each fall semester.

Registration forms can be found on the Fire Science web site at <http://www.delta.edu/tech/fire20science20technology.aspx>

If your department is paying for the tuition & fees, please include billing authorization from your Chief on dept. letterhead.

\* Educational Methodology is only offered face-to-face.
