APPROVAL OF AGENDA
Board Chair Emrich called for the approval of the agenda. Board Chair Emrich requested that a closed session to discuss with legal counsel on the matter of Kim Higgs, Harlan Vermilya et al. v. Delta Board of Trustees et al. be added to the agenda after chair comments.

The amended agenda was approved by a consensus of the Board of Trustees.

APPOINTMENT OF PRO TEM SECRETARY
K. Houston-Philpot made a motion to appoint Talisa Brown as Pro Tem Secretary to the Board of Trustees. K. Ellison supported the motion. The motion passed unanimously (BA 4961).

OATH OF OFFICE FOR NEW TRUSTEE
R. Emrich indicated that the resignation of M. Fitzhugh is effective upon the certification of the election results which has not happened. R. E. Selby made a motion to appoint Mike Rowley as the Bay County Board of Trustee to fill the vacancy which ends on December 31, 2012, conditional on the certification of the election results. K. Houston-Philpot seconded the motion. The motion passed unanimously (BA 4962).

PUBLIC COMMENTS
Board Chair Emrich called for public comments.

Kim Higgs, Bay County Resident, indicated that he was representing Ann Anklam, former resident of Bay County who now resides in Kent County. Mr. Higgs stated that he has filed a lawsuit in Kent County on behalf of Ms. Anklam based on allegations that Ms. Anklam had made numerous Freedom of Information Act (FOIA) requests to Delta College which were partially denied. He also explained which items in the FOIA requests were allegedly denied and why they felt these items should not be exempt.

Mr. Higgs also spoke about the just-released Supreme Court ruling in the Ader v Delta College case. He stated that he believes Delta College could have settled the case in order to avoid significant legal costs, which he feels is a poor decision on the college’s part.

Mike Rowley, Bay County Resident, thanked the Board for their support in the conditional agreement that he replace Marty Fitzhugh on the Board of Trustees for the remainder of 2012. He suggested, based on another school board that he serves on, a change to allow for public comment...
again at the end of the meeting agenda. He distributed sample copies of the agenda to also highlight the idea of Delta's Board moving to an electronic format for their board meeting agendas. Mr. Rowley noted that he would support getting a legal opinion on whether the pensions under MPSERS are actually a liability to the college. Finally, he indicated that he took several days off work to sit in on a court case in which Delta College was involved. Mr. Rowley noted that he respects the decisions that the Board has made in regards to any legal case. He has never seen a case that was so baseless and unfounded. Mr. Rowley commended Delta College for following the law and for their service to the community.

Charles Sledge, a Saginaw County Resident and Delta College Student, made comments regarding the Ricker Center and students of Saginaw County. He indicated that he received a nice letter from Dr. Goondow in regards to the concerns he had raised earlier about the Ricker Center and the motion that R. Stafford had made at a previous meeting to do so. He also thanked the Board for the renovations that have already taken place. As a Saginaw County resident who helped to pass the millage he feels disrespected. Mr. Sledge raised issues such as lighting, left over subpar equipment, the cleanliness of the building and not having the facilities open on Saturdays. He also indicated that he is the Vice President of the Student Club, Students of Power and Opportunity, a member of Phi Theta Kappa and a part of the Student Leadership Academy.

Elaire Moore, a Saginaw County Resident and Delta College Student made comments regarding the busing system. She is the President of the Student Club, Students of Power and Opportunity. She indicated that students are using the busing system, that it is successful and that they are allowed to use their financial aid to pay for the bus passes. Ms. Moore indicated that more advertising needs to be done. She also talked about the Health Fairs that are held at the Ricker Center during the first and third Wednesday of each month. The information is not getting out to those who really need it. Her final concern was the lack of variety in class offerings and faculty that teach at the Ricker Center.

TREASURER’S REPORT  
D. Lutz noted that the Board has received the financial statements as of the end of October 2012. The College remains in good cash position and is operating in accordance with the budget adopted by the Board. There were no major variances to report.

CONSENT AGENDA  
Board Chair R. Emrich called for approval of the consent agenda. R. E. Selby asked that item H. Approval of Revisions to Senate Policy 3.022 Master’s Degree Equivalent, be removed from the consent agenda.

The Board unanimously approved the consent agenda, accepting the minutes of the Board Meetings that were held on October 9, 2012 (dinner and regular meeting). The acceptance of the Annual Financial Statements and Audit for FY 2011-2012 (BA 4963), Revisions to Senate Policy 3.003 Faculty Selection (BA 4964), Revisions to Senate Policy 3.005 Appointment & Subsequent Appointment of Non-Tenure Faculty (BA 4965), Revisions to Senate Policy 3.008 Appoint & Reappointment of Tenure Track Faculty (BA 4966), Revisions to Senate Policy 3.010 Standards & Procedures for Promotion and Tenure (BA 4967), Revisions to Senate Policy 3.022 Release of Faculty for Financial Exigency (BA 4968), Revisions to Senate Policy 3.062 Termination of Employment and Appeal of Termination for Tenured Faculty (BA 4969), Revisions to Senate Policy 5.005 Procedure for Appointment of Administrative/Professional Staff (BA 4970), Revisions to Senate Policy 4.020 Disruptive Student Policy (BA 4971), and the Revisions to Senate Policy 8.015 Fresh Start (BA 4972), were also approved as part of the consent agenda.
It is the recommendation of the Administration that the Board of Trustees approve the revisions to Senate Policy 3.030 Master’s Degree Equivalent.

E. Beckman, noted that the only changes to this policy are those that were requested in writing by Board Chair, R. Emrich. Specifically in 2009, the Board Bylaws were changed to reflect that the College President was delegated the power to be the final ‘decision maker’ in regards to personnel concerns. The SEB make the changes with the utmost urgency in order to simplify access to correct information and limit any legal liability. E. Beckman also noted that an ad hoc committee has been charged with reviewing the entire policy since it has not been updated in quite some time.

R. E. Selby indicated a concern with the use of “immediate superior” and suggested that supervisor be used instead. He also asked about “a level of competency in the appropriate discipline equal to Faculty members holding a Master’s Degree Equivalency” if it doesn’t exist in a particular department/discipline. E. Beckman gave an example of where years of experience in the field, and where a Master’s Degree may not exist or would be very rare that the level of additional experience and such would warrant equivalence to a Master’s Degree. R. E. Selby also indicated that acquired experience isn’t always through paid employment and therefore should be accounted for in this case.

K. Houston-Philpot made a motion to approve the recommendation with support from R. Stafford.

R. E. Selby asked if they were approving the policy as presented. R. Emrich indicated that they were with the understanding that more revisions would be coming at a later time. R. E. Selby indicated that he was speaking in opposition to the motion so that the policy would be fully reviewed before voting on it. R. Emrich noted that he was speaking for the motion because he had requested that this policy and other be reviewed to be in compliance with the Delta College Board of Trustees. He also mentioned that time is of the essence and he didn’t want to see a court case brought forth with this policy being in violation of the Bylaws.

The motion passed with a vote of 6 in favor, 1 opposed. R. E. Selby voted in opposition to the motion.

R. Stafford, Chair of the Bylaws Committee, said that the Bylaws Committee is continuing to review the Bylaws and Operating Parameters of the Board of Trustees.

R. Stafford read the following proposed bylaws amendment to the Trustees.

Section 3. Temporary Suspension of the Bylaws

noted that a vote cannot be taken unless a quorum or 5 trustees are present. The motion passed unanimously (BA 4976).

K. Lawrence Webster made the motion with support from R. Stafford.

R. Emrich asked if it was similar to other training programs that we have done in the past. P. Graves indicated that this is our second Michigan New Jobs Training Program. The first was the Dow Kokam Project that the Board approved backed in May of 2011.

The motion passed unanimously.

Noah Brown titled Coming of Age: New Efforts to Rebuild Partnerships With Our Communities in which Brown discusses the ideal that community college boards need to build up their partnerships with K-12 school districts in order to help high school administrators and teachers understand what it takes to be successful at a
community college and help them align their teaching methods to reflect the assessments that community colleges use to help their students transition from high school to a community college.

Dr. Goodnow indicated that there are a number of community colleges that are using iPad technology and electronic meeting packets. To make things more accessible and to be in tune with our sustainability efforts the administration would like to move forward in purchasing each board member an iPad. R. Emrich noted that they would be college property and asked E. Crane to look into any issues. E. Crane indicated that it would be another electronic devise that would be subject to the same rules and regulation in regards to the communication amongst board members outside of public meetings. She also indicated a provision in the Michigan Community College Act in regards to board members not being able to receive any compensation and therefore ownership of the devices would belong to Delta College. R. Stafford indicated that other Boards he serves on have gone in this direction and he fully supports this recommendation.

One of the speakers was Byron Pitts, contributor to "60 Minutes" and chief national correspondent for the CBS Evening News. He spoke about his disadvantaged youth and how others reached out to him when he needed help. He is the author of an inspirational autobiography called, “Step Out on Nothing.” R.
