Montesi gave a brief history of Dr. Sam Marble's time as the first president of Delta College.</p> <p>S. Montesi said that after Dr. Marble had moved on to become the President of Saginaw Valley, she invited him to participate in a course that she was taking at Central Michigan University that focused on the community college.</p> <p>Following that interaction, Dr. Marble presented S. Montesi with the original copy of the first enrollment report from Delta College. S. Montesi presented the framed report to the Board and President.</p>
TREASURER'S REPORT	D. Lutz said that the Board has received the College financial statements for the month ended January 31, 2018. D. Lutz said that she has reviewed the statements and due to a great deal of effort from many people at the institution, the College is just shy of projected credit hours by about 2800 hours. At this time it is looking as though the College will end the year approximately \$500,000 short of projected revenue. The College has had a number of vacancies throughout the year. This means that the savings on the expense side will exceed the shortage on the revenue side. It appears very certain that the College will end the year in the black.

TRUSTEE COMMENTS

CHAIR COMMENTS & APPOINTMENT OF MCCA DIRECTOR FOR DELTA COLLEGE (BA5213)

Board Chair Emrich said he is sorry that he missed the Special Board Meeting/retreat on February 1. He noted that he was ill and was not able to come to campus.

Dr. Emrich said that when the Board approved changes to Senate Policy 2.090, Sabbatical Leaves and Grants, the Board approved a change to the composition of the committee. The policy now requires that only one Trustee will serve (instead of two). Noting that M. Benecke is already serving on the President's Compensation and Evaluation Committee, he asked that M. Morrissey serve as the individual representing the Trustees on the Sabbatical Leaves and Grants Committee.

In addition, Dr. Emrich noted that R. E. Selby is not able to continue serving on the MCCA Board of Directors at this time due to health issues.

Dr. Emrich made a motion that Trustee Rowley serve as the Delta College representative on the MCCA Board of Directors until such a time that Trustee Selby is able to do so.

M. Benecke seconded the motion.

Motion passed unanimously (BA5213).

Dr. Emrich said that he is sad to see Deb Lutz leave the College, but that he wishes her well in retirement. He noted the importance of the CFO position to the Board of Trustees and
