In addition, “the amendments (to the Open Meetings Act that went into effect on October 16, 2020) impose a new requirement for any member of the public body participating remotely to publicly announce, at the outset of the meeting, that he or she is participating remotely. BOARD ACTION APPROVAL OF COVID WORK MODIFICATION PAYMENT (BA5354)

It is the recommendation of the Administration that the Board of Trustees approve the one-time payment to the eligible employees as determined by the College, for modifications that were implemented by faculty and staff members in response to the COVID-19 pandemic. The total amount of the payments is estimated to be \$216,155.

M. Benecke made a motion to approve the recommendation. M. Thomas seconded the motion.

J. Goodnow thanked the Trustees for taking the time to meet on such short notice. She said since the COVID-19 Pandemic changed all our lives over 9 months ago, we recognize how our Delta College employees had to significantly modify their work and personal lives to maintain safety measures and COVID protocols.

She said that we recognize the challenges and increased stress that everyone has endured. Faculty members modified the way they had to deliver instruction to our students. Other employees modified their work spaces on campus, or began working remotely from home, all to continue our essential college services.

We also want to recognize the faculty that taught face to face on campus under stringent COVID restrictions, and other employees who have remained on campus in order to keep our operations going.

During this time, we have continued to serve our students, our community and our stakeholders.

At this time, the administration is making the recommendation that we provide a financial consideration payable to our employees for their required modification in response to the COVID-19 pandemic. This would be a one-time payment and would be given to our faculty, adjuncts and all full-time and part-time employees who were on our payroll during the Fall 2020 semester.

Full-time faculty and staff will receive \$300. Adjuncts and part-time staff will receive \$150. We have 734 employees that will receive this payment. The total estimated cost would be \$216,155.

DRAFT

J. Goodnow said we have worked diligently to find a way to use our Coronavirus Relief Fund Grant (CRF) dollars to cover over 1/2 of the cost of this proposed payment. And the remaining amount will be paid for with the COVID general fund dollars the College appropriated when the Trustees approved the budget last June.

The College was hoping to use the CRF grant for the entire amount, but this was not possible due to the restrictive guidelines of this grant. We also explored the other CARES Act grants, hoping to use those dollars, however it would not qualify as an allowable expenditure.

Employees would receive the payment in their December 24, 2020 regular payroll check. We are referring to the payment as a: COVID Work Modification.

M. Thomas asked who qualifies for the payment. S. Lewless, Director of Human Resources said that we are using the current semester to determine eligibility. We have furloughed individuals that would not receive the payment. We looked into this, and we had concerns if they receive any type of payment while receiving unemployment, it could harm their unemployment status.

D. Middleton said that, while Trustee Nash could not be here today, he did reach out to her to express his support.

J. Goodnow thanked S. DuFresne, A. Ursuy, and their staff for their work in making this happen.

D. Middleton said she said that “we are all happy to make this happen” for faculty and staff.

The results of the roll call vote to approve the motion are as follows:

M. Benecke – Yes
A. Buckley – Yes
D. Middleton – Yes
M. Rowley – Yes
M. Thomas – Yes

Motion passed unanimously.
