Good evening,

I would like to take a minute to explain how I will run this evening's meeting.

The Board is authorized to hold this virtual meeting with participation through the Zoom platform in compliance with the Michigan Open Meetings Act as amended (Public Act 254 of 2020).

The Zoom platform allows participants to participate virtually via phone or computer and ensures that the public can participate in this meeting.

For those joining us today, we want to ensure everyone can hear the board meeting. To minimize audio feedback, we ask all virtual participants NOT to use any speakerphone options.

All participants are currently muted to prevent any background noise or feedback. Board members will be unmuted to allow full participation during the meeting.

I have asked our Assistant Board Secretary, Talisa Brown; and Kay Schuler, Administrative Assistant in the President's Office, to serve as moderators to assist me with today's meeting.

Our moderators will note those who wish to address the Board and will unmute your lines one by one, announcing who is being unmuted.

Please note that all votes will be taken via roll call by our Board Secretary, Andrea Ursuy.

In addition, “the amendments (to the Open Meetings Act that went into effect on October 16, 2020) impose a new requirement for any member of the public body participating remotely to publicly announce, at the outset of the meeting, that he or she is participating remotely. If the announcing member's remote participation is for any reason other than military duty, the member must announce his or her physical location "by stating the county, city, township, or village and state from which he or she is attending the meeting remotely." The member's public announcement must be included in the meeting minutes.”

Therefore, our Board Secretary, Andrea Ursuy, will take attendance immediately after I call the meeting to order. When she calls your name, please say “here” and announce the city, township, or village; county; and state from which you are attending the meeting remotely.

If members of the public wish to address the Board, you may do so during the public comment portion of the meeting, which is on our agenda and will be announced by the Board Chair.

At that time, those wishing to address the Board should indicate their desire to speak by pressing *9 (star-9) or the “raise hand” option.

Notes on rules for public comment, when you are acknowledged by the Board Chair, we ask that you state your name and you may state your county of residence. As outlined in the Board of Trustees Bylaws, please limit your comments to five minutes.

Board Chair, M. Nash called the meeting to order at 5:23 pm.
