PUBLIC COMMENT
Board Chair Thomas called for public comment.

TREASURER'S REPORT
S. DuFresne said that the Board packet includes financials as of May 31, 2023. The College will finish the year in a positive position.

In the other College funds, the operating deficit in the restricted fund is a result of a timing difference based on when funds are expended and revenues are recorded.

In our auxiliary funds, the College has an operational deficit of approximately $344,000. The majority of the deficit is from our food service operations. With a smaller population of students on campus, we are continuing to look at operations to meet the needs of our students and employees while making budget modifications to eliminate the operating deficit.

Auditors started this week and are on campus doing preliminary testing. The finance team and other departments will be preparing throughout the summer to close our books and plan for the audit which begins in September.

APPROVAL OF PRESIDENT’S GOALS 2023 – 2024 (BA5498)

M. Wood made a motion to approve the President’s Goals for 2023-2024 as presented. A. Clark seconded the motion.

B. Handley-Miller suggested that the President’s Office be included as a unit. M. Gavin responded that the President’s Office is not a unit. The purpose of unit
review is to cascade the strategic plan into each department of the College. A. Ursuy added that the President’s Office is driving the plan with unified and aligned goals.

B. Handley-Miller suggested that the KPI for Tableau be strengthened to be more measurable. For example, it could read “Tableau is accessible to all college employees.”

After more discussion, Dr. Gavin suggested that it would be clearer if the “KPI” column was changed to “goals/measures.”

Chair Thomas asked that the change be made.

Motion passed unanimously.

D. Middleton, Chair of the President’s Evaluation and Compensation Committee said that Dr. Gavin’s performance in his second year as President of Delta College was exemplary along every dimension. We are thankful for Dr. Gavin’s high performance, leadership of employee groups of Delta College, commitment to securing Delta’s success as an institution, and most of all, his unwavering dedication to ensuring unparalleled education for our diverse student population.

A. Baldwin seconded the motion.

D. Middleton said that the Evaluation and Compensation committee would like to acknowledge that Dr. Gavin’s contract (2B) includes language which states, “Unless notice is given by either party of nonrenewal on or before January 1, 2024, this Contract is renewed for a new three-year term, commencing July 1, 2024 through June 30, 2027.”
Given the positive performance and excellent leadership of Dr. Gavin, we are pleased to have him continue to guide this great college into the future.
