SEB 2022
Aurelian Balan, Chris Curtis, Donna Giuliani, Dr. Gavin, Elena Lazzari, Mark Mitchell, Andrew Rieder, Liz Ullrich
SEB meeting minutes for 1/25/2022 by Donna Giuliani

Call to order 3:15

In attendance:
Mark Mitchell
Donna Giuliani
Liz Ullrich
Aurelian Balan
Elena Lazzari
Mike Gavin
Chris Curtis
Andrew Rieder
Special Guest, Dawn Fairchild

Dawn as past president is no longer a voting member of SEB. This is her last meeting.

The first Adhoc committee membership is set.

Steve Rosin (Science & Math)
Tim Hendrickson (A &L)
Dave Baskind (Social Science)
Ski VanderLaan (B &T)
Chris Hausbeck (H & W)

It is recommended that Steve Rosin be approached as chair.
The charge allows flexibility to make recommendations for the future of Faculty Forum and also other standing committees. We want to give the committee enough latitude to do their work.

By the end of the week, the charge will be given to the Adhoc by Mark Mitchell.

Dr. Gavin and all members of SEB are in consensus that it is not a forgone conclusion that FEC and Faculty Forum go away. It is up to the Adhoc to shape the future of Faculty Forum.

Second Adhoc charge.

Membership to date:
Dawn Fairchild (B & T)
Lauren Smith (A & L)

Chris will ask David Redman about the archiving Adhoc.
While it is desirable to have a faculty representative from each division, it is perhaps not as crucial as in the first Adhoc.

Dr. Gavin: we can ask the archivist in the library to create an archive of the Senate and she can pull in the perspectives of the different workgroups.

Gavin: If it would help the work of the Adhoc and the Senate, the parameters of the project can be shaped by the Adhoc, but the archivist’s assignment would come from the college, not necessarily the SEB.

A concern is that the people who are not faculty on this committee be compensated for their labor. For admin, this is not likely something they will want to put their time into. For the archivist, this is part of the job. This charge could be structured in such a way that the charge should be given to the archivist do the job as their expertise dictates.

Letter C of the charge could change to: Engage the Delta College archivist in a production of an official senate history. Letters A and B of the charge are about preserving the Senate Procedures Manual and the Grievance materials until such time as the Archivist is able to complete the work.

Chris Curtis moves that we move forward with the archivist Adhoc charge as amended so long as there are not issues once the emailed draft comes out. Donna seconded. Unanimously passed.

Adjourned 4:08 pm.
SENATE AD HOC COMMITTEE
Charged by Senate Executive Board
Plan for Senate History Archiving
Date of Charge: February 02, 2022

**Charge**
The ad hoc committee is charged with determining how to protect and archive Senate documents.

This charge includes:
- A. Ensuring the storage of Senate grievance documents.
- B. Ensuring the storage of the Senate Procedures Manual.
- C. Engage Delta College archivist to initiate the production of an official Senate history with input from the ad-hoc committee.
- D. Establish a panel to follow-up with the archivist’s work through completion.

This charge includes a suggested ad hoc committee process and timeline:

**Timeline**
- Charge issued February 02, 2022
- Charge reported to Senate Executive Board February 23rd, 2022
- Charge presented to Senate Assembly March 16, 2022
- Senate votes April 13, 2022

The chair of the ad hoc committee will maintain a record of meeting deliberations and will maintain drafts of the recommended actions as they evolve. In addition to the ‘parent’ file the Chair of the ad hoc committee will be responsible for producing a short summary of the recommended actions and their rationale for inclusion in the Board of Trustees packet/presentation of the finalized recommendations. Any final changes made at the Senate meeting will be added to the ‘parent’ file by the Senate leadership and forwarded to the College President with the final recommendations of the Senate President included.

**RATIONALE:** Transition of Shared Governance at Delta College results from the changing structure of shared governance. The new structure leaves many important historical documents in limbo/without a home. Preserving this history is a faculty and college-wide priority.

**Tracking Progress with a Parent File**
Four different parent files will be maintained for the individual portions of the charge (A-D). Charge 1.A. is to ensure the storage of Senate grievance documents. Charge 1.B. is to ensure the storage of the Senate Procedures Manual. Charge 1.C. is to engage the Delta College archivist to
initiate the production of an official Senate history. Charge 1.D. is to establish a panel to follow-up with the archivist’s work through completion.

Each file will be created when the committee has produced their first full draft, which is to be presented at SEB for approval. To create the parent file the chair should start with the ad hoc committee’s recommended process. Modifications will be tracked with the “track changes” feature of the word processing software. The file should then be saved using the following naming protocol: Parent – Archiving Decision # and letter - Date (i.e. Parent – Archiving Decision 1.A. – 1.17.2022). The parent file should, from this point, be updated with any changes made on the rounds and resaved using the above format in order that every round where changes were made will have a tracked document showing those changes. Whenever a “draft” is called for in this charge sheet, the document which should be sent is the most recent version of the committee’s work, with a file name that follows the above protocol.

**Preparing a presentation for the SEB**
The committee should strive to produce the most complete draft of their recommended actions possible for their presentation to the SEB. Since the nature of this work is somewhat time sensitive, the Senate President should be notified if more time is needed. Any changes in the time frame for presenting a draft to the SEB should be recorded here.

(New Date for SEB Draft Presentation: __________________________ -Sen. Pres. Init.: ______)

The ad hoc committee chair will present the draft to the SEB (and should provide the most recent draft of the recommended processes to the Senate leadership prior to the SEB meeting in order to solicit feedback.

**Completing the “Rounds” and Gathering Feedback**
Present to an SEB meeting that includes Dr. Gavin and staff 2/23/2022
Present to Division Meetings 3/2/2022
Present to Special meeting of SEB before presentation to Senate Assembly 3/4/2022
Present to Senate Assembly 3/16/2022
Present to Faculty Forum 3/22/2022
Present to SEB 3/30/2022
Senate votes 4/13/2022

Any extensions will result in a May Senate meeting with a reduced Senate. Please strive to make the deadlines. The committee will incorporate as many suggestions into the processes as they deem reasonable. We recognize that this is a working process, but the committee should strive for efficiency and transparency.

**Overall timeframe for rounds:** To be completed by April 2022.
The committee is now at the step of having a true, final draft for presentation at the Senate Meeting for a vote. The ad hoc chair should send the most up-to-date versions of all 4 of their parent files, **the marked up original processes** and committee summary to the Senate President for inclusion.
in the Senate Agenda Package, 3 days before the Senate Meeting at which they are to present. Any changes to the recommended actions that might occur on the Senate floor will be amended using this version of the document in order to prepare the Board of Trustees meeting materials.

Thank you for your service.

**SENATE AD HOC COMMITTEE**
Charged by Senate Executive Board

**Plan for Senate Transition**
Date of Charge: **January 17, 2022**

**Charge**
The ad hoc committee is charged with implementing processes for the Senate’s transition to Model 1.

These processes include:
A. Determining the resolution of the Senate handbook policies that remain after collective bargaining.
B. Determining the resolution of Senate Standing Committees; deciding which will continue and in what form.
C. Ensuring that Senate process is followed in the transition.

This charge includes a suggested ad hoc committee process and timeline:

**Timeline**
Charge issued January 17, 2022
Charge reported to Senate Executive Board February 23rd, 2022
Charge presented to Senate Assembly March 16, 2022
