

SPONSOR A CHOCOLATE AFFAIR

HORIZONS CONFERENCE CENTER | NOVEMBER 2, 2023

You get tons of recognition for sponsoring *A Chocolate Affair*, one of the Great Lakes Bay Region's top fundraising events. Proceeds go to Delta's Possible Dream Program, which encourages promising young students – who may not view college as a possibility – to reach their highest potential. Students are provided cultural and educational opportunities, and are exposed to college life, so they may explore higher education.

Once these students decide to attend Delta College, your support will also supply them with a Possible Dream Scholarship!

More about Delta's Possible Dream Program.

For 31 years, the Possible Dream Program has helped more than 2,455 students believe in themselves and reach for their goals. These sixth- through twelfth-graders are provided educational and cultural enrichment activities that are designed to grow their confidence, encourage them to explore their community and give them tools to build a bright future that begins with college. Having direction, knowing people care and finding ways to overcome obstacles is what Possible Dream makes possible for hundreds of students each year.

Our community has supported these scholars – and helped them realize their dreams – from the beginning, with the Holiday Preview Benefit and continuing with *A Chocolate Affair*.

Will you continue the legacy of investing in these promising students?

“The Possible Dream Program made my dream of going to college a reality. My goal in life was and still is to help others. I did not know when I started in the program that I would eventually work as a community college employee.”

Dr. Adam L. Cloutier

Vice President of Academics at Glen Oaks Community College
2002 Graduate of Delta | Former Possible Dream student
