### Advanced Placement (AP) Exams

Some additional courses are available to students who have taken Advanced Placement (AP) exams while in high school. For more information on these exams specifically, please visit our website (<https://www.delta.edu/services-support/testing/experience-for-credit.html>) or contact the Registration office for more information at [registration@delta.edu](mailto:registration@delta.edu) or (989) 686-9305. Please note that AP exams are only available to high school students through their local high school and are not available in the Testing Center.

Important note: Delta College Records and Registration must receive official "College Grade Report" directly from The College Board: Advance Placement Program before Delta's course equivalent credit is posted on your transcript. AP score(s) must be equal to or higher than the minimum score listed for the examination.

For College Grade Reports call or write:
