- IMPORTANT:** Students MUST waitlist during each clinical entry point at the earliest possible timeframe unless extenuating circumstances exist and are approved by the Program Coordinator and Academic Associate Dean. Entry points for programs are at least once a year (Fall), except for Nursing Full-Time which is twice a year (Fall and Winter), and for Nursing Transition which is only once a year (Winter).
- Special registrations are usually held in June for Fall semester and in October for Winter semester. Students should consult Inside Delta at <https://www.delta.edu/students/records-registration/clinical-registration.html> each semester for information regarding program offerings and clinical waitlist dates.
- Should the program fill and 3rd year validated student(s) not get in, a one-year extension can be granted by contacting the Program Coordinator.

x Extended Validations

** See Program Coordinator for Observation Verification form

*** Validation application packet must be submitted to Kim Boldt, Sonography Program Coordinator

Delta College reserves the right to modify validation and registration procedures for programs based on demand for enrollment.
